Message from Representative Cindy Evans

Dear Nikolas, Juanito and Elijah,

It is my pleasure and honor to recognize you... Nikolas Powell, Juanito Moises Jr. and Elijah Anakalea-Buckley for being selected to represent Hawai'i at the 2016 Youth Leadership Summit for Sustainable Development in Martha's Vineyard. I know you have shown passion and commitment to earn the selection.

This journey you are about to embark on will give you the opportunity to work with others from around the world that face similar challenges in sustainability. The experience and training you are about to receive will contribute to building a more sustainable Hawai'i.

Preservation and management of Hawaii's natural resources is essential to maintaining a quality way of life. Thus, Hawai'i can lead the world in stewardship of land and ocean

I would also like to commend and thank all the organizations and individuals who are contributing to making this happen. This would not be possible if it was not for their belief in you and what you are capable of doing to make our islands a better place.

I am excited for you and the journey that you are about to embark on. I am confident this summit will offer you opportunities to learn, share and create new experiences for all who are involved. I wish you all a memorable week and best wishes for the years ahead.

Sincerely,

Cindy Evans
State Representative
