RECOGNIZES AND COMMENDS CELESTE YEE

AS SUMMIT DELEGATE FOR THE YOUTH LEADERSHIP SUMMIT FOR SUSTAINABLE DEVELOPMENT

The State of Hawaii is proud to recognize the efforts of engaged youth who promote the importance of environmental sustainability within our communities. Their dedication serves as an inspiration to others in creating a more sustainable future for the state.

CELESTE YEE was raised in Kahalu'u, on the Windward side of Oahu. She is a recent graduate of the University of Hawaii at Manoa. As a ninth-generation immigrant in Hawaii, local values have played a big part in shaping her perspective of the world.

CELESTE YEE has always valued the importance of education and taking care of family. In her free time, she enjoys going diving and is an avid hiker. **CELESTE** also enjoys drawing and looking at art.

CELESTE YEE'S love for the outdoors has fueled her passion for environmental science and ecology. She has worked in a number of systematics labs and was involved in environmental outreach and education for ten years.

CELESTE YEE has worked on projects including EIS surveys for insects and Hawaiian land snails in NARS locations. She also participated in conducting systematic studies for the critically-listed Wekiu bug. **CELESTE** hopes to continue her agricultural research and become involved in bioengineering.

The Senate of the Twenty-Eighth Legislature of the State of Hawai'i hereby commends and congratulates **CELESTE YEE** for her commitment to sustainability and extends its best wishes and warmest aloha for continued success in all her future endeavors.

RECOGNIZES AND COMMENDS
JACQUELINE NOBORIKAWA
AS SUMMIT DELEGATE FOR THE YOUTH LEADERSHIP SUMMIT
FOR SUSTAINABLE DEVELOPMENT

The State of Hawaii is proud to recognize the efforts of engaged youth who promote the importance of environmental sustainability within our communities. Their dedication serves as an inspiration to others in creating a more sustainable future for the state.

JACQUELINE "JACKIE" NOBORIKAWA was raised in Kaneohe, on the Windward side of Oahu. She has experienced many Japanese and Hawaiian traditions and influences growing up, eating Shabu Shabu and luau stew, and speaking the occasional Japanese and Hawaiian words.

JACQUELINE "JACKIE" NOBORIKAWA strives for excellence with the help of community and school, despite facing economic challenges at James B. Castle High School, where she will be a Senior. She realizes that Castle is not a rich school, but is sustainable with the many donations received from the community. For this reason, **JACKIE** is involved in Student Council, Key Club, and the National Honor Society, and hopes to pursue her interest in mathematics through cryptology.

JACQUELINE "JACKIE" NOBORIKAWA would also like to bring sustainability to Oahu, and is therefore working hard to make small changes in the present, with hopes of having a huge positive effect in the future.

The Senate of the Twenty-Eighth Legislature of the State of Hawai'i hereby commends and congratulates **JACQUELINE "JACKIE" NOBORIKAWA** for her commitment to sustainability and extends its best wishes and warmest aloha for continued success in all her future endeavors.

KIMO SHORT
AS SUMMIT DELEGATE FOR THE YOUTH LEADERSHIP SUMMIT
FOR SUSTAINABLE DEVELOPMENT

The State of Hawaii is proud to recognize the efforts of engaged youth who promote the importance of environmental sustainability within our communities. Their dedication serves as an inspiration to others in creating a more sustainable future for the state.

KIMO SHORT was raised in Kailua, on the Windward side of Oahu. He is a graduate of Kalani High School and Windward Community College. **KIMO** is studying at Penn Foster College online. He is pursuing a degree in electronics and computer science.

KIMO SHORT currently works as an electrician, servicing equipment at all Safeway stores across the state. He continues to strive towards accomplishing his goal of becoming an environmental entrepreneur.

In five years, **KIMO** has plans to start his own business. He hopes to eventually employ 20 full-time employees. He envisions designing products made from trash in an effort to promote more sustainable business practices. His ultimate business goal is to help find environmentally sound solutions that can meet our communities' growing energy demands.

The Senate of the Twenty-Eighth Legislature of the State of Hawai'i, Regular Session of 2015, hereby commends and congratulates **KIMO SHORT** for his service and extends its best wishes and warmest aloha for continued success in all his future endeavors.
