Aloha Chair Tokuda and Chair Luke,

It is humbling to see how so many people are supporting the implementation of the Sustainability Resolution's Education Toolkit. I am grateful to all the SHYLI youth who have continued working on this project. It is a testament to their dedication and commitment to doing whatever we can to educate young people about the importance of sustainability.

I am indebted to Rep. Denny Coffman and Senator Tokuda for their strategic support.
You made all the difference.

I wholeheartedly support the SHYLI application for the GIA grant to fund the implementation of the Sustainability Resolution Toolkit.

Sincerely,

Trevor Tanaka
