*Message from Senator Brian Schatz*  
Presented in Recognition of the  
Youth Leadership Summit for Sustainable Development  
Hawai'i Delegation

June 27 – July 2, 2015

I extend my warmest *aloha* and congratulations to the members of the Hawai'i Delegation to the 2015 Youth Leadership Summit for Sustainable Development.

The Annual Youth Leadership Summit for Sustainable Development allows aspiring young leaders a chance to work with experienced participants to acquire valuable tools for their future as well as actualize their ideas for a more sustainable future. This year, delegates will also have the opportunity to meet with Arun Gandhi, giving them a unique opportunity to learn about making a lasting change on the world around them. This summit will allow motivated individuals from our state to work with others from communities that face similar challenges in sustainability and protecting the environment.

Mahalo to the delegates for their dedication and to the Sustainable Hawai'i Youth Leadership Initiative for its commitment to supporting our future leaders. Best wishes for a successful and memorable event.

Mahalo,
